Re: Alternative Education Athletics Event

Dear Parent/Carer.

We hope you and your family are well.

This year, the staff at Invested Education have developed the curriculum offer to allow for more learning to take place outside of the classroom. As a result of our carefully designed wider curriculum offer, we are excited to have been invited to the Alternative Education Athletics Events, hosted at the prestigious Gateshead International Stadium, on Friday 17th November.

Schools from across the North East will be competing in a variety of athletic events across the day, promoting many of the values that we believe will help our students to succeed both socially and academically in the future.

Your child has been chosen to represent Invested Education in one or more of the following athletic events:

- 100m sprint
- 200m sprint
- 400m sprint
- 800m sprint
- Long jump
- Triple jump
- 100m relay

Staff and children will travel together on the school minibus and will leave Invested Education at approximately 10.00am and will return at 2.00pm in time for your child to return home.

Please ensure your child arrives in school on time through their usual method of transport. Your child will be expected to attend school wearing suitable sporting attire for the day. Please be mindful that the weather can be unpredictable and therefore we would suggest ensuring your child has a warm coat/outer layer to wear when they are not competing.

Water bottles will be provided and replenished throughout the day. Staff will also ensure lunch and healthy snacks are provided.

This really is an excellent opportunity for your child to experience competitive sport. As you know, our values – INVEST – underpin all that we do, and this experience will be no exception!

If you or your child have any questions, queries or concerns about the event, please do not hesitate to contact Mr Fitzgibbon, our school's Lead Physical Education teacher, who will gladly talk to you and your child about the event.

Once again, thank you for your continued support of the work we do at Invested Education.

Yours sincerely.
