Engage & Achieve

6<sup>th</sup> October 2023

Dear Parent/Carer,

We are writing to you today to let you know of our intention to secure a National Quality Mark in SMSC. SMSC stands for spiritual, moral, social, and cultural education.

### **OUR VISION FOR SMSC**

*At Invested Education, we value and celebrate the unique qualities of all our students. We recognise that the personal development of students spiritually, morally, socially, and culturally plays a vital part in their ability to engage, learn and enjoy success now and in the future. We therefore aim to deliver a broad range of educational experiences that provide students with opportunities to explore and develop their own beliefs and spiritual awareness, demonstrate high standards of personal behaviour and mutual respect of others. Develop an understanding of their social and cultural traditions and an appreciation of the rich diversity of other cultures.*

*Invested Education has a whole-school approach to SMSC. All curriculum areas are underpinned by a child's spiritual, moral, social, and cultural development.*

Over the coming months we will be providing pupils with a rich range of educational and life experiences that develop their spiritual, moral, social, and cultural development. Sophie Johnson is taking the lead on this and would welcome ideas, queries, and feedback. Please also refer to our website for updates and information on up-and-coming events.

Your Faithfully
